

Anais José Rojas Agelvis

Madrid, Spain • +34 666 074 337 • arojasdbatt@gmail.com

Professional Summary

*Accountant with over 10 years of experience, nearly 8 of them at an **accounting and tax advisory firm in Chile** where I have been a **partner since 2021**, managing **bookkeeping, taxes and payroll for SMEs** in the trade, construction and services sectors. Experienced in **team supervision and training, year-end closing, tax planning and end-to-end payroll and labour administration** (payroll, employment contracts and final settlements). Currently training in **Spanish accounting, tax and labour regulations** and **ContaSol**, with a proven ability to adapt to new systems and work autonomously towards objectives.*

PROFESSIONAL EXPERIENCE

Vegroup Contadores Limitada – Accounting, tax and payroll advisory firm

Santiago, Chile

Partner and Head of Accounting, Tax and Payroll (2021 – present)

November 2018 – Present

Accountant (November 2018 – 2021)

Working remotely from Madrid since October 2025

- Played a key role in **growing the firm from 20 to 189 active clients**, becoming a **partner in 2021** in recognition of my contribution to client acquisition and retention.
- **Supervised and trained a team of 4**, allocating clients and tasks; first point of contact and advisor for the firm's entire client base.
- Directly managed a **portfolio of up to 70 SMEs** (currently 40) in the trade, construction and services sectors.
- **Monthly VAT returns** (Chilean Form F29, equivalent to Spanish Form 303), checking issued and received invoices against tax authority records.
- **Full-cycle bookkeeping, bank reconciliations and year-end closing**, including estimates of annual company and shareholder taxes (equivalent to Spanish **Corporate Income Tax and Personal Income Tax**) and **pre-closing tax planning**.
- **End-to-end payroll and labour administration**: payroll, employment contracts, contract amendments, final settlements and dismissal letters, for **workforces of up to 40 employees** across two construction sites.
- Registered contracts, amendments and final settlements with the **Chilean Labour Directorate** (equivalent to Social Security registrations, terminations and changes in Spain).
- **Client treasury management**: bank account control, supplier payments and collections follow-up.
- **Onboarding advice for new clients** on their tax, municipal and invoicing obligations.
- Introduced **cloud-based collaboration (Google Drive)** to centralise client information, and redesigned **client reports** to make them clearer and more useful for decision-making.
- **Review of interim financial statements** and pre-closing advice, managing the portfolio remotely based on objectives and deadlines.

La Universal S.A.

Riobamba, Ecuador

Production Administrator (SAP)

March 2017 – September 2018

- **Recorded in SAP** raw material consumption from plant reports, transfers from the raw materials warehouse and finished goods issues.
- **Inventory control** and support with **year-end closing**.
- **Redesigned plant consumption forms**, enabling operators to complete them correctly and improving the reliability of recorded data.

MATEMCA / CRIALCHICA – Tempered glass distributor

Maracaibo, Venezuela

Franchise Manager

September 2014 – January 2017

- **Coordinated a team of 3**.
- **Invoicing, bank control** and merchandise inventory.
- Customer service and **issue resolution**.

Argüelles y Asociados

Accounting Assistant (hired after professional internship)

Maracaibo, Venezuela

2011 – 2014

- **Bookkeeping for a client portfolio:** accounting entries, general journals and bank reconciliations.
- **Purchase and sales ledgers** for VAT returns filed with SENIAT (Venezuelan tax authority).
- **Collections management**, document intake, filing and office coordination, using **Saint** accounting software.

EDUCATION

Bachelor's Degree in Public Accounting – Universidad del Zulia

Recognition as equivalent to a Spanish Bachelor's degree: in preparation

Maracaibo, Venezuela

2014

Postgraduate Studies in Business Management – Universidad Rafael Belloso Chacín

3 semesters completed

Maracaibo, Venezuela

2016

ADDITIONAL TRAINING IN SPAIN (SEPE – PUBLIC EMPLOYMENT SERVICE)

- **Accounting Management with ContaSol** – in progress, ending September 2026. Company setup, journal entries, control and year-end closing.
- **Labour Relations Management** – August 2026. Payroll, employment contracts, Social Security registrations and terminations, and income tax withholdings.
- **General and Cost Accounting and Tax Management** (60 h) – 2026. Financial statements, costs, budgets and tax obligations.

SKILLS AND TOOLS

- **Accounting and tax:** full-cycle bookkeeping, bank reconciliations, year-end closing, VAT returns, tax planning and treasury.
- **Payroll and labour:** payroll, employment contracts, amendments, final settlements, employee registrations, terminations and changes.
- **Spanish regulations (in training):** Spanish GAAP (PGC), VAT, personal income tax (IRPF) withholdings and Social Security contributions.
- **Software:** Nubox, Contalive (now Nowxia), ContaSol, SAP, Saint, Microsoft Excel (advanced) and Google Drive.
- **Competencies:** team leadership and training, client advisory, autonomous work towards objectives and adaptability to new systems.
- **Languages:** Spanish (native), Italian (A2, certified), English (A2).
